Dear Fellow Scouters,

Thank you for making the decision to become a volunteer in Arrowhead District. I honestly hope that you enjoy your time serving the Scouts in your units and know that your time and energy is greatly appreciated.

This Arrowhead District Planning Book is the combined effort of many individuals. All of us hope that it will serve as a valuable tool in helping you do annual program planning for your units, and help you deliver a great program to the youth. When you create your unit calendars, please use this book as a guide to include District and Council events, to offer training opportunities to your leaders, and to avoid schedule conflicts that might cause the Scouts to miss out on activities.

Use this booklet as well as the Council generated Program Planning Guide (download: <http://nhscouting.org/>) to create your unit's custom program. The online calendar can be viewed at <http://nhscouting.org/events/> and is another valuable resource presenting opportunities for training, camping at our Council camps, and fundraising information.

The Arrowhead District Leadership contact information is included. Please note that everyone except for the District Executive are also volunteers. Many are involved as leaders in their own units as well as being part of the District staff and are dedicated to making the Scouting program in Arrowhead District the best that it can be! The Arrowhead District Committee is here to be a resource for you. Let us know your needs and we will do what we can to provide the help that you need. We are all in this together – we are all Arrowhead District! Remember our Scout Oath to “help other people at all times”.

Thank you all for your generosity with your time and talents in promoting the Scouting program for the benefit of the youth in our District. Whether you realize it or not, you are making a profound impact on the lives of many that will have lasting benefits for years to come. As you do your valuable work, remember to set the example for our Scouts by personally adhering to the Scout Oath and Law. And as you do your Scouting, have fun. Make it fun for both the Scouts and yourselves!

Yours in Scouting,
Steve Spaziani

Glossary of District Terms

Roundtable – Is held the 2nd Wednesday of every month. Every Pack, Troop or Crew sends representatives to get the latest information from the District Staff about upcoming events. This is also the chance to meet other leaders and ask what fun adventures & events that they have done with their Unit. Crew officers are encouraged to attend.

District Staff – are volunteers (like you!) who work to give a great, fun, safe scouting experience to the youth in the area. Please see the contact info in this book and do not hesitate to ask for help. The District volunteers have over 200 years of scout knowledge between them. We meet monthly on the 1st Wednesday at the Arlington St Methodist Church at 7pm.

Scouter – any adult that volunteers in the Scout program.

Glossary of Cub Scout Terms

Chuckwagon – is a competitive activity. A group of 4-8 (no more than 8!) Cubs (from **all** ranks) pulls a Chuckwagon around course and does 9-10 games/activities. The Chuckwagon contains items that are used by the Cubs in the games. The cubs **must** do the games without parental help. **A PACK Coordinator is required** and **registers** the PACK for the event. If you have only a couple of cubs, come anyway & we'll team you up with another group. You'll have fun & meet new friends!

Cub Day Camp – **A PACK Coordinator is strongly encouraged** and **registers** the PACK for the event. We want your Pack to come, but don't think individuals cannot come, THEY CAN! Drive your Cub(s) to our Day Camp and they can enjoy the outdoors, activities like BB's, and get them away from the electronic games at home. Discounts are available for parents that are Den Leaders at DAY Camp. Den Chiefs are always welcome!

Family Camping – Come to Camp Carpenter and camp with us! You bring your blankets or sleeping bags, and we provide the tents, food, and fun. Some of the camp facilities are open, like Archery, Pirates Cove or the Fort, BB's and others!

Resident Camp – Is where your cub sleeps in a tent at Camp Carpenter and enjoys all the activities there **A PACK Coordinator is required**, and **registers** the PACK for the event

Scouting for Food – is held the first 2 weekends in November. It is the Scouts' Nationwide Service Project to help feed those in need. First weekend we put out door hangers asking folks to donate food. The following weekend we pick it up. Pack Coordinator is **strongly** recommended.

Webelos Alley – For Webelos/AOL ONLY. This is a competitive event held the first weekend in February at the same time as the Klondike Derby. The boys pull winter sleds around a

course and do events/games. There are ribbons awarded for the top 3 Dens. **A PACK Coordinator is required and registers the PACK for the event.**

Webelos/AOL Campout – Parents/guardians camp with their Webelos cubs at Fall or Spring camporees. **A PACK Coordinator is required and registers the PACK for the event.** The coordinator works with the local Boy Scout Troop to handle meals & camping space.

Glossary of Scout Terms

Camporee – Is a competitive event held in the fall & spring. Patrols of 4-8 Scouts traverse a course where they compete in scout skills like first aid, or orienteering, and in fun games like paintball or obstacle course. The theme varies from year to year. The events **always** include basic scout skills. **A Troop Coordinator is required and registers the Troop for the event.**

Klondike Derby - Is a competitive event held in the February. Patrols of 4-8 Scouts pull a dog-sled around a course where they compete in scout skills like first aid, or orienteering, and team building games. The theme varies from year to year. **A Troop Coordinator is required and registers the Troop for the event.**

Scouting for Food – is held the first 2 weekends in November. It is the Scouts' Nationwide Service Project to help feed those in need. First weekend we put out door hangers asking folks to donate food. The following weekend we pick it up. A Troop **Coordinator is recommended.**

Resident Camp – Is where your Scout sleeps in a tent at Camp and enjoys all the activities there. **A Troop Coordinator is required and registers the Troop for the event.**

Glossary of Venture Crew Terms

Moot – Gathering planned by VOA (Venturing Officers Association) youth held in the fall.

Zenith – Area Venturing event planned by VOA.

Commissioner Service

District Commissioner: Rick Smith

(603) 913-5993

rick@preceptia.com

"It is the mission of the Arrowhead District Commissioner Service to help Scout units provide a quality program for their members. In doing so the values of Scouting will be brought to more youth, more effectively."

Commissioners provide important leadership to ensure quality Scouting. We advise, mentor, coach, counsel, and recommend, to help YOU make Scouting a great place for your youth.

We need YOUR leadership experience! Become a commissioner and make a difference by:

- Bringing Scouting to more boys
- Developing new leaders
- Sharing your experiences

The commissioner service is looking for men and women volunteers who would like to help Scouting by sharing their knowledge and experiences with other Scouters.

Successful Scout units do not just happen. They are made. They are made by leaders who are trained, coached, and counseled along the way by those who went before them. You probably had someone help you as you learned how to be a Scout leader, so you know how important it is to have guidance in developing a successful Pack, Troop, Team or Crew. You have an opportunity to help other leaders be successful by serving as a commissioner. By helping leaders build strong units you will be insuring that the values of Scouting are brought effectively to more youth.

Training Committee

Committee Chair – Bob Leuci

(603) 765-1564

Email: FyrFytre6@comcast.net

<https://nhscouting.org/trainingcorner/>

The leadership training philosophy is to provide adult leaders with fundamental information about the aims and purposes of the movement, as well as specifics about their particular roles in Scouting. A trained leader is knowledgeable and confident in the role being performed. The knowledge and confidence of a trained leader are quickly sensed by Cub Scouts, Boy Scouts, or Venture Scouts and are a positive influence on their lives.

- Train leaders - don't just run training course.
- Plan and implement an effective, year-round leadership training program for the district to provide continuing training opportunities for all leaders, regardless of position
- Develop procedures for evaluating the quality and effectiveness of the district leadership training program. report training progress regularly to the council committee
- Establish priorities. Develop and carry out a plan to accomplish those priorities
- Select, recruit, and train an effective team of instructors
- Plan, promote, conduct, and evaluate all district training events
- Recognize leaders who complete training requirements
- See that high standards are set and met by all instructors
- Maintain adequate district training records
- Conduct an annual survey of training needs in the district
- Keep informed of literature, audiovisuals, and equipment aids for the leadership training program
- Have an approved budget for training events
- Support and encourage all pack trainers

See training dates for all of DWC here:

Family Friends of Scouting

Committee - Chair Chris Cooper

(978) 495-2907 chris_cooper_iphone@yahoo.com

Help support your local camps & programs!

Friends of Scouting is a critical yearly fundraising campaign that assists the Daniel Webster Council in offsetting program costs and providing quality service. The true cost of Scouting is much greater than what local dues and event or camping fees cover.

All packs, troops, teams, and crews are encouraged to participate in the campaign in the first quarter of every year to give families the opportunity to contribute. Requests are also made to local business and community supporters through district and council community campaigns. Schedule your presentation as part of your annual calendar planning and encourage participation - everything helps to support a strong Scouting program in the Arrowhead District.

Finance Committee

Committee Chair – Dave Lowrance

(603) 465-7698

dwlhollis@msn.com

A district finance committee does the following:

- Obtain and understand the district's portion of funds to be raised toward the council budget
- Organize and carry out a successful Friends of Scouting annual campaign in the district, and meet the goal by the target date
- Promote the council plan for endowment development
- Inform units of unit finance policies
- Provide recognition to donors, along with information on how their dollars helped serve youth
